

Privacy Policy

www.vconsulting.eu is an official web site of V Consulting Bulgaria founded with the idea to assist investors in starting a business in Bulgaria.

We strictly observe privacy policy in order to protect your information related to your business activities, company's data and shared information.

Terms of use

You cannot use any of the information or text from our site without our explicitly written agreement. No copyrights permission to copy parts or whole articles with publishing purpose or other purposes. If you feel that this is necessary, you have to put in quotes copy text, give reference and write down the name of the author.

How we protect your data?

We use reliable measures to secure information against losses, abuses and changes of information in our website. All data, concerning your requirements, is used on purpose to contact with you and answer to all your questions and queries.

How you can receive special offers?

Send us your request by email using contact form.

Sharing and distribution

We do not share, publish or sell any business or private information to third party including with promotional purposes without your explicitly permission unless it is under prosecution.

We do not distribute business information that has been known by us during the consulting process, the same concern price information about contracting services. The only exception on this rule is the services with fixed price that are being announced at our web site. The consultation/ the research is submitted in time in electronic form with a confirmation email. You can use, develop and apply recommendations as an owner of the consultation/research without V Consulting Bulgaria's permission, but you do not have the right to distribute, sell and make it public.
